# Axis

## Sliding Wardrobe

The made-to-measure Axis Sliding Door System will fit any opening and can also be used to create stand-alone wardrobes.

Mix and match with an extensive selection of colours to suit your decor - glass, mirrors, gloss, textured and wood effect door panels.

Suit awkward shapes in attics or under the stairs.

We can take the hassle out of building it by providing fully assembled doors for you, according to your measurements and instructions.

Extensive selection of colours in glass

Products available as part of this collection:

- ▶ Top and bottom tracks
- ▶ Vertical and horizontal frames for the door panels
- ▶ Top and bottom wheels
- ▶ Internal brushes and door buffers
- ▶ Horizontal cross dividers to divide the door
